[AWS Account Creation](#)

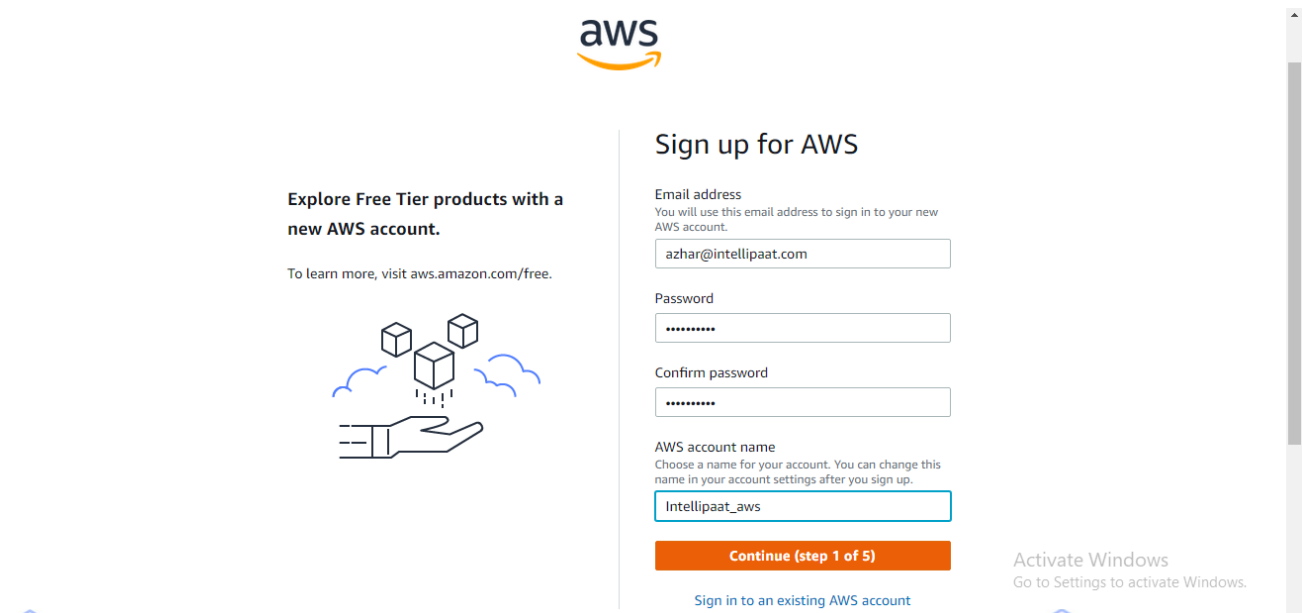

Open the link: <https://aws.amazon.com/>

Click on **Create an AWS Account**.

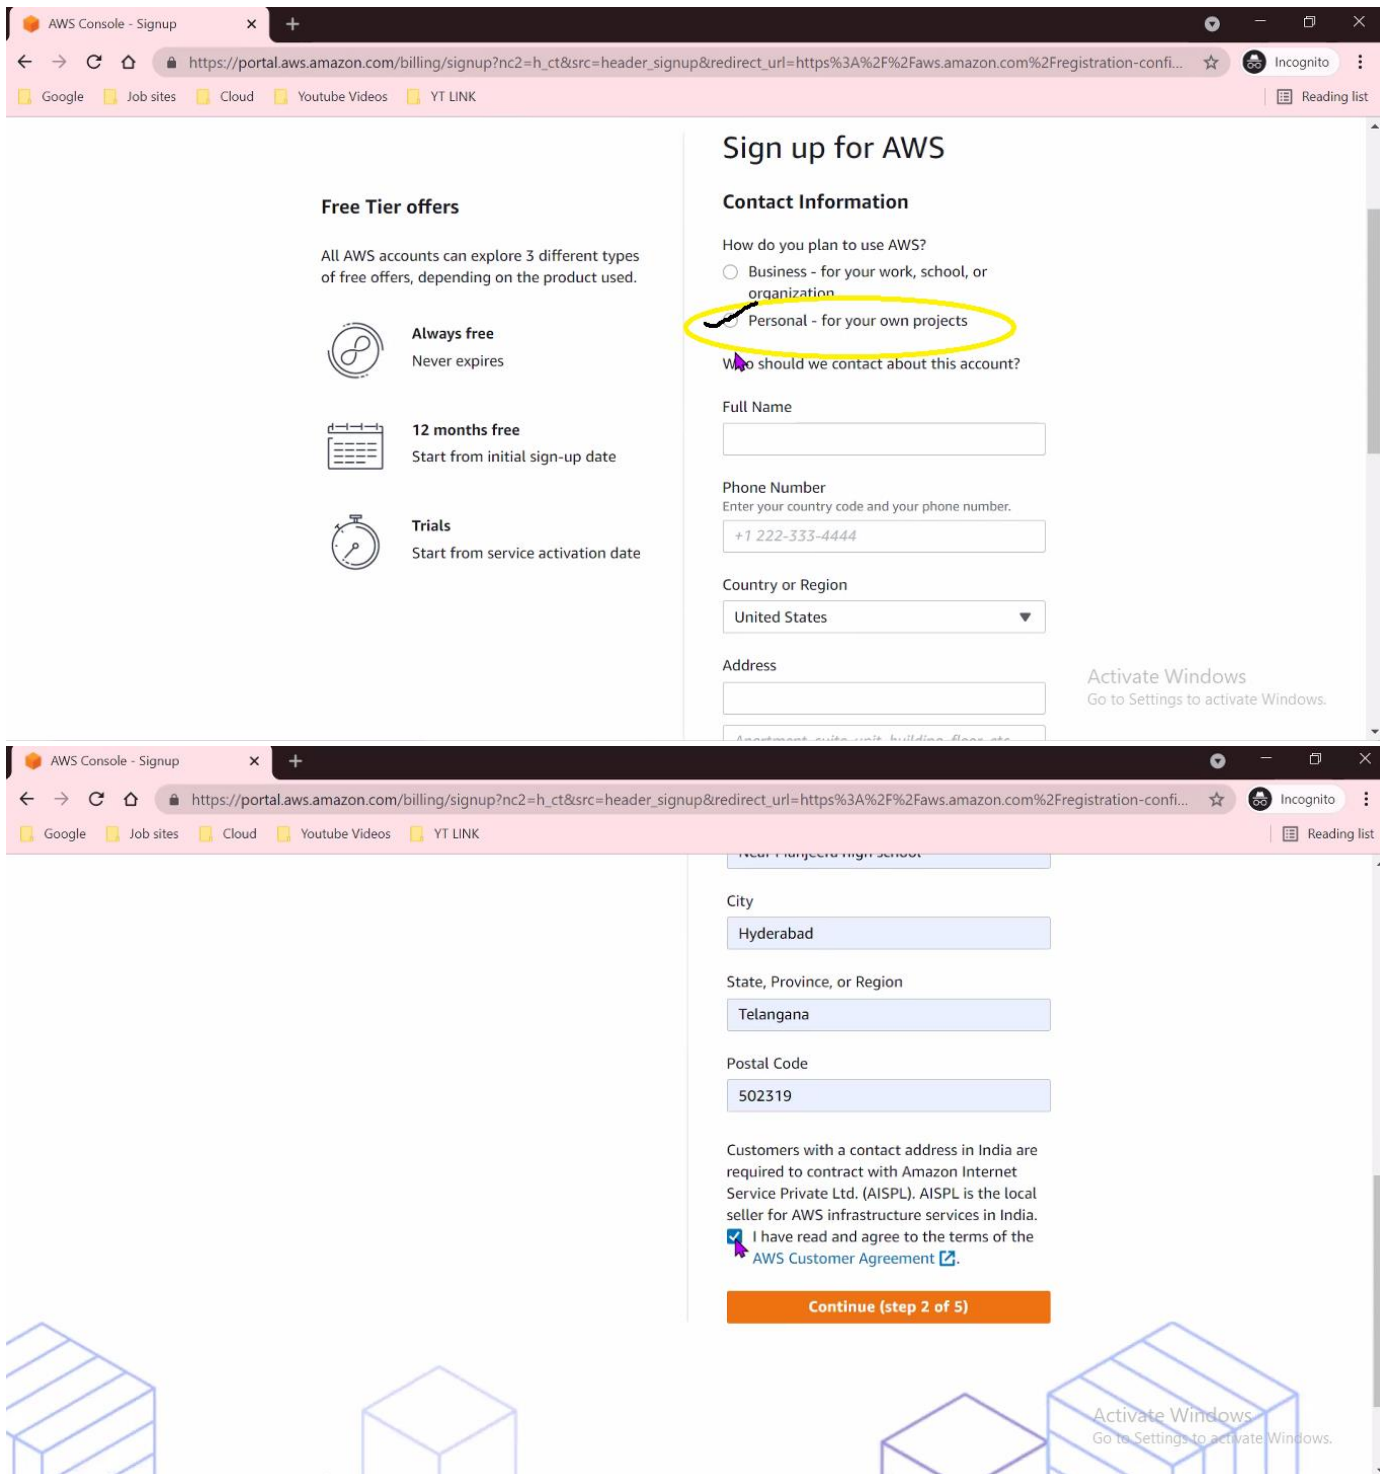

Step 1: Enter your valid **E-mail Id**.

Choose **password** and **AWS account name**. And Click on **Continue**.

A screenshot of the AWS sign-up page. The page is titled 'Sign up for AWS'. On the left, there is a section 'Explore Free Tier products with a new AWS account.' with a link to 'aws.amazon.com/free.' and an illustration of a hand holding three cubes. On the right, there are four input fields: 'Email address' (containing 'azhar@intellipaat.com'), 'Password', 'Confirm password', and 'AWS account name' (containing 'Intellipaat_aws'). Below these fields is an orange 'Continue (step 1 of 5)' button. At the bottom, there is a link 'Sign in to an existing AWS account'. The page also features the AWS logo and a footer with contact information.

Step 5: Choose **Basic Support Plan**

The screenshot shows the AWS Console Signup page. The browser address bar displays the URL: <https://portal.aws.amazon.com/billing/signup?ppw-messageProcessedResponse=APPROVED&ppw-widgetEvent=MessageProcessedEvent&ppw-wi...>. The page title is "AWS Console - Signup". The main heading is "Sign up for AWS". Below this, it says "Select a support plan". A yellow arrow points to the "Basic support - Free" option, which is selected. The other two options are "Developer support - From \$29/month" and "Business support - From \$100/month". The "Basic support - Free" option lists the following features:

- Recommended for new users just getting started with AWS
- 24x7 self-service access to AWS resources
- For account and billing issues only
- Access to Personal Health Dashboard & Trusted Advisor

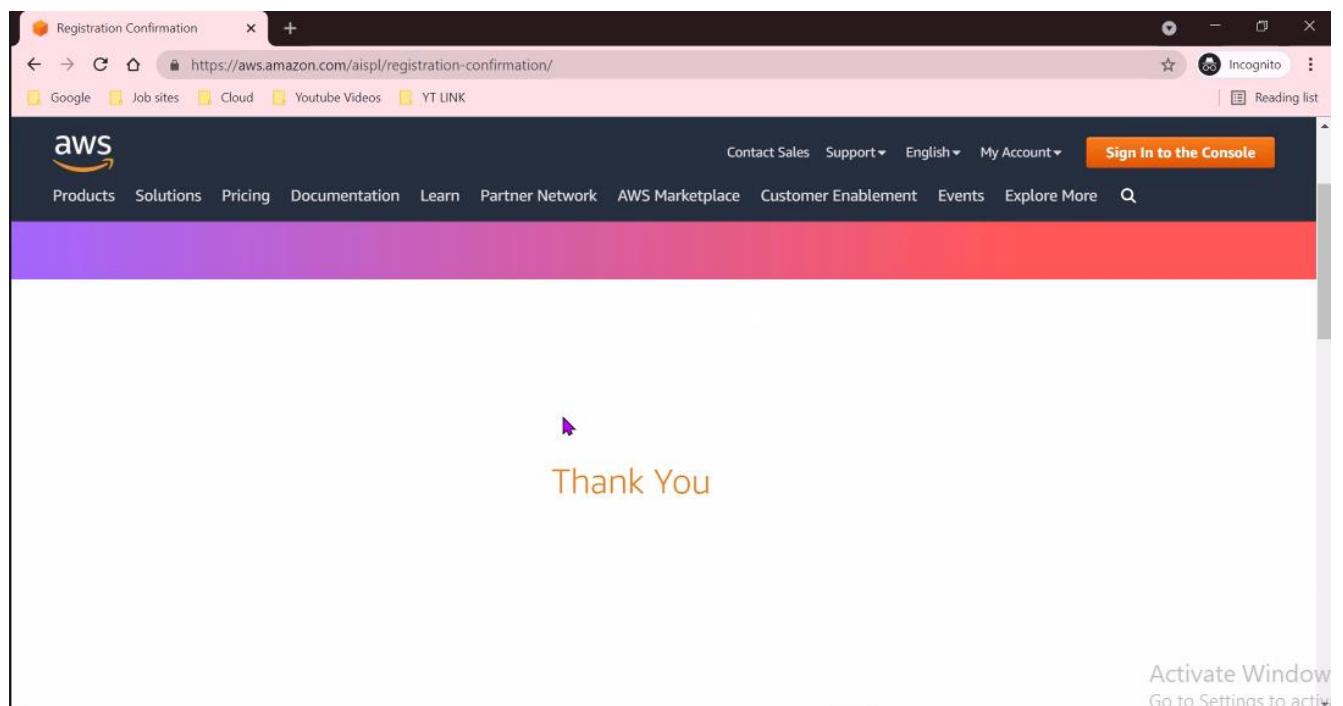

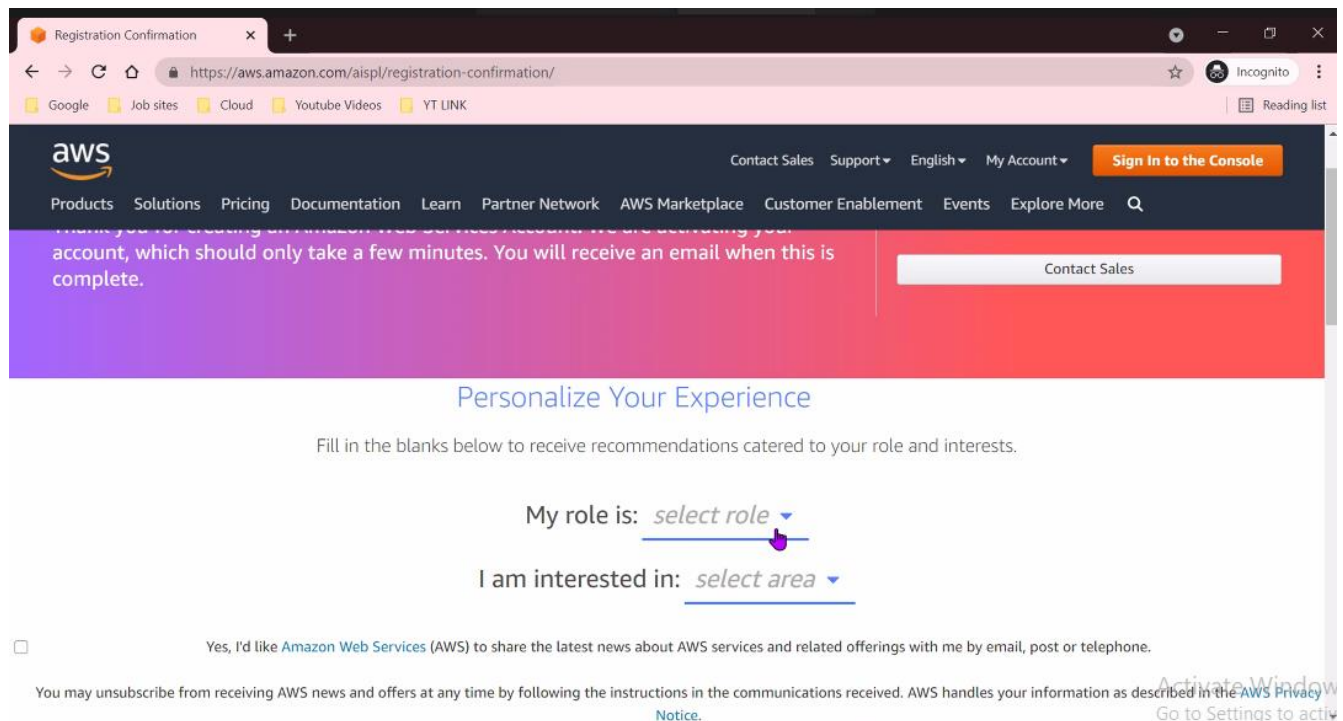

Below the "Basic support - Free" option is a small icon of a laptop. Below the "Developer support - From \$29/month" option is a small icon of a code editor. Below the "Business support - From \$100/month" option is a small icon of a briefcase. The "Basic support - Free" option is highlighted with a blue border and a blue circle around the selection radio button. The "Developer support - From \$29/month" option is highlighted with a blue border and a blue circle around the selection radio button. The "Business support - From \$100/month" option is highlighted with a blue border and a blue circle around the selection radio button. Below the support plan selection, there is a "Congratulations" message with a rocket icon. The message says: "Thank you for signing up for AWS. We are activating your account, which should only take a few minutes. You will receive an email when this is complete." Below the message is an orange button that says "Go to the AWS Management Console". Below the button is a link that says "Sign up for another account or contact sales." The bottom of the page has a blue border with a pattern of small triangles.

[AWS Account Creation](#)

When Prompted to Enter Role and Interest, you can choose the appropriate which suits you.

Click on **Sign-in to the Console**

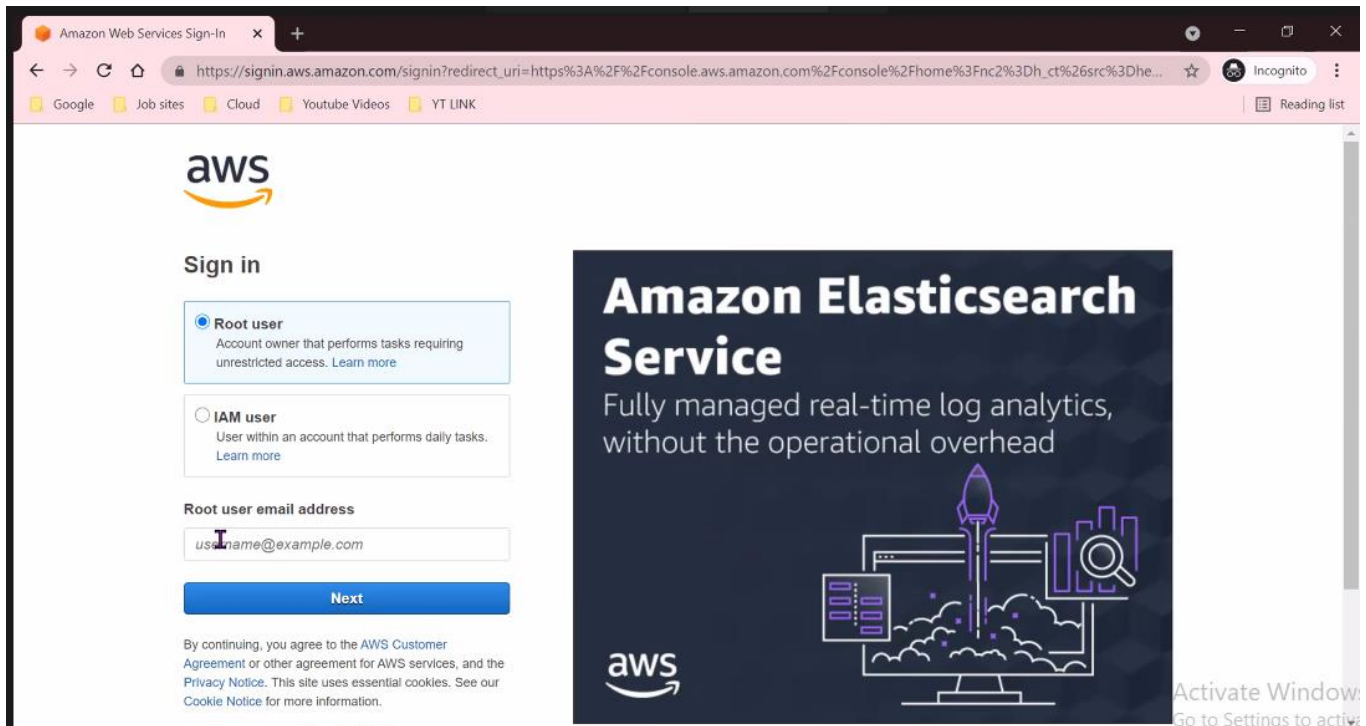

Accounts are usually activated within a few minutes, but the process might take up to 24 hours.

[AWS Account Creation](#)

You have now successfully created your Account in AWS.

Enter your **E-mail ID and Password** to get into the **AWS Management Console**.
